### Education

#### Bachelor in Building Design and Construction

*Western Sydney University* — March 3, 2025 (Ongoing)

The Building Design and Construction course equips students with practical and theoretical knowledge to plan, design, and construct residential, commercial, and industrial buildings. The program combines technical skills with creative design principles, focusing on sustainable and safe building practices.

#### Subjects Studied:

- Workplace Health and Safety (WHS)
- Construction Technology and Materials
- Project Management and Site Planning
- Structural Systems and Building Codes

---

#### Higher School Certificate (HSC)

*East Hill Boys High School* — February 8, 2019 – September 19, 2024

**ATAR:** 57

#### Subjects Studied:

- Business
- English Standard
- Math Standard
- Software Design
- Modern History

## **Work Experience**

### **Pick Packager**

*Australia Post*

Responsible for sorting, packing, and preparing parcels for dispatch while ensuring accuracy, efficiency, and adherence to Australia Post standards. Maintained safe handling of packages, organized items for timely delivery, and supported team workflow in a fast-paced environment.

### **Roles and Responsibilities:**

- Accurately sort and scan parcels for delivery.
  - Pack items securely to prevent damage during transit.
  - Inspect parcels for correct labeling and address details.
  - Operate conveyor belts, trolleys, and packaging equipment safely.
- 

### **Barista**

*Gloria Jeans*

Prepared and served high-quality coffee and beverages while providing excellent customer service in a fast-paced café environment. Managed transactions, maintained cleanliness, and supported daily café operations.

### **Roles and Responsibilities:**

- Prepare and serve coffee, tea, and other beverages to customer specifications.
  - Operate espresso machines and other café equipment safely and efficiently.
  - Take customer orders and handle point-of-sale transactions accurately.
  - Restock supplies and monitor inventory levels.
-
